Eero Ettala - Professional snowboarder

For a pro snowboarder like myself Landgraaf SnowWorld is a perfect place to ride in the summer and fall. The park is always in a great shape and you know the weather will always be nice in the dome. I also feel like I got my board control back way faster riding the park in Snow World, than i would riding at a glacier. I wish we had a place like this in Finland aswell.

SPECIAL TEAMS OFFER:
Access to the climbing park incl.
5 rides Alpine Coaster now €16.00
